

## URBAN LINE INTERIOR

Seats in high-quality Silver/ Pearl Grey Metro cloth/leather upholstery with modern detailing and contrast stitching.

Lighting: blue light illuminates the interior when the vehicle is being unlocked. While driving, ambient light shines from the B-pillar, footwell and centre console.

Special interior trims in an innovative acrylic glass give a strong sense of three-dimensional depth.

The all-new BMW 1 Series.

## SPORT LINE INTERIOR

Individual touch: the key with red detailing. (Urban Line with white detailing.)

Contrast stitching gives a striking feature.

The interior trim in high-gloss black with red accent lines adds to the athletically elegant effect (alternatively available in aluminium).

Sport seats in Anthracite Track cloth with red highlights emphasise the vehicle's sporty character.

The model illustrated in this brochure shows the specifications for the Egyptian market. The catalogue may show some accessories or optional equipment which are not part of the local specification. For precise information on model features and the exact level of equipment, please contact your BMW partner. Equipment is subject to change. Bavarian Auto, BMW Assembler, and Importer Cairo/Egypt.

## URBAN LINE EXTERIOR

High-gloss white mirror caps continue the colour scheme flow from the front and the rear to the side view (optional at no extra charge).

The optional 17" wheels in white with high-gloss lathed edges are an expression of its modern flair.

Tailpipe trim in matt chrome (standard equipment).

The white bar at the rear provides a visual connection between the front and the rear.

The horizontal bar in white emphasises its metropolitan character.

The front of the kidney slats are chrome, while the sides are white. This creates an exceptional look.

## SPORT LINE EXTERIOR

The mirror caps, in high-gloss black, continue the colour scheme flow from the front and the rear to the side view (optional at no extra charge).

The black horizontal bar at the rear makes the vehicle appear broader while visually connecting the rear and the front.

The kidney grille – with fewer (8 instead of 11) but wider slats in high-gloss black – underlines its dynamic, sporty appearance.

The black bar suggests a diffuser.

The inserts in the air vents, in high-gloss black with a decorative trim in aluminium, visually afford the vehicle a broader stance.

Particularly sporty wheels, exclusive to the Line.

The tailpipe trim in dark chrome gives the rear a sportier appearance.
